## Ralston General Store Museum

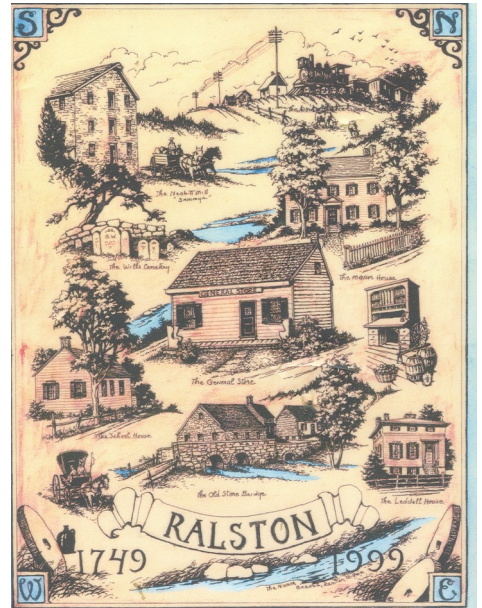

Thank you to the new members and building fund contributors for the 2016/2017 year. You'll notice the newsletter has been pared down in size to reduce printing costs. Only new members and building fund contributors are listed to save space and only current and Life members will be mailed a copy of the newsletter. For a complete list of members, see the Membership section on our website: [ralstonmuseum.org](http://ralstonmuseum.org).

For those of you who are new to the organization and would like more in-

formation about the Association, our website is a great place to start. It has a wealth of information about the Ralston area and there are many old newsletters to read through.

The RHA trustees would like to thank Consolidated Fire Protection Systems, Inc., located in Randolph and Jeff Betz for providing the museum with a new portable fire extinguisher.

The General Store Museum is open on Sundays and Holidays from 2 to 5 PM.
